Garnier & Linker (FR)

纪尧姆·卡尼尔 & 弗洛伦特·林格

Guillaume Garnier and Florent Linker are two French creators based in Paris. They aim at giving a contemporary design to rare materials and savoir-faire. All pieces are handmade unique or limited editions by French master craftsmen. As designers, they get their inspiration from decorative arts and sculpture, to create pure-shaped forms revealing their materiality. With their background in interior design, they conceive functional objects that meet contemporary interiors of enlightened collectors who seek art and design collectibles with a soul. They have created two singular collections for Spazio Nobile in Brussels, one is the *Parisis* lamps in plaster and alabaster and, another one is the molten glass *Diatomée* Sculpted Vases which appear like diatoms that are single-celled algae that live in houses made of glass. Inspired by these light-absorbing molecules which are the only organism on the planet with cell walls composed of transparent, opaline silica, they are ornamented by intricate and striking patterns of silica. On earth, diatoms are bringing us up to 50% of our oxygen and also feed the oceans, lakes and rivers.

塞巴斯蒂安·赫克纳

Sebastian Herkner was born in Bad Mergentheim, Germany. He studied product design at the Offenbach University of Art and Design, already focusing during his studies on designing objects and furniture merging various cultural contexts, combining new technologies with traditional craftsmanship in order to highlight the multifaceted beauty of the materials and draw renewed attention to small details. Whilst still a student, Herkner did an internship with Stella McCartney in London, which helped to hone his feeling for materials, colours, structures and textures. Since founding his own design studio in Offenbach am Main in 2006, he has designed products for manufacturers such as ClassiCon, Dedon, Fontana Arte, La Chance, Moroso, Pulpo, Rosenthal and Very Wood, as well as working on interior design projects and for exhibitions and museums. His designs have received multiple prizes, including the 2011 German Design Award in the Newcomer category, 2015 the EDIDA Award for Best International Newcomer and Guest of Honour at imm cologne 2016.

Päivi Rintaniemi (FI)

佩雅·林塔涅米

Päivi Rintaniemi (Finland, b. 1956) graduated as Master of Arts from the Aalto University. After her studies, Rintaniemi concentrated mainly on designing and manufacturing functional pieces with her brand Amfora and collaborated with stores and galleries, for example the Conran Shop in Europe, and Actus Interior in Japan. She received the Finnish Designer Award in 2008, and the first prize at the International Competition of Contemporary Ceramic Art in Faenza, Italy, in 2013.

Riska is a member of the Arabia Art Department Society. It fosters the cultural heritage of the famous Finnish ceramic artists who have worked for the Arabia Factory. Riska has been awarded with numerous awards. Her works are regularly exhibited internationally and included in several art collections.

Piet Stockmans (BE)

皮特·斯托克曼斯

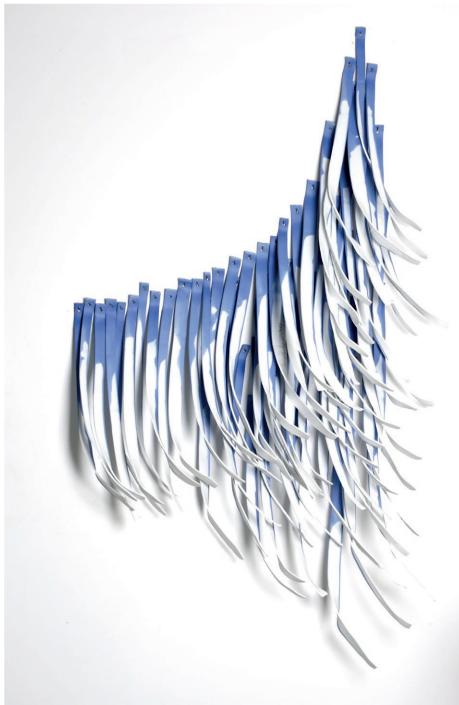

Born in Leopoldsburg (Belgium) in 1940, Piet Stockmans this year celebrates the 30th anniversary of his studio. Living on the site of Genk's C-Mine, his career fluctuates between art, the applied arts and industrial design. For nearly 30 years, he taught product design at KHLim in Genk and the Design Academy Eindhoven, and collaborated with industry – notably 25 years with Royal Mosa. New ideas and experiments continue to nourish his work as an artist-ceramicist, ranging from unique or multiple pieces of applied art, to integrations of his porcelain works, to architecture. Cultural ambassador for Flanders in 1995, winner of the Henry Van de Velde Career Award (Flanders Design) in 1998, his works have been included in major exhibitions (solo or group) and have been the subject of memorable installations. Stockmans has seen his creations take their place in the largest Belgian and international collections: Designmuseum Gent, Stedelijk Museum Amsterdam, MAD New York, Met New York, Musée national / Cité de la Céramique de Sèvres, V&A London, etc.

By opening Spazio Nobile in April 2016, in the dynamic and cosmopolitan Ixelles neighbourhood of Brussels (Belgium), Lise Coirier and Gian Giuseppe Simeone have united their passions for design and art history, initiating a dialogue between contemporary applied arts, design and photography. Commissioning installations that are both experimental and artistic, with a particular sensibility to everything connected to nature and minerality, the gallery organises four to five exhibits each year, dedicated to both rising and established talents. Without creating borders between the disciplines, the visual arts interact with the fine arts.

莉泽·古瓦席耶(Lise Coirier)和吉安·朱塞佩·西梅奥涅(Gian Giuseppe Simeone)于 2016 年 4 月在比利时布鲁塞尔充满活力的国际化街区伊克塞尔(Ixelles)开设了臻堂(Spazio Nobile), 他们把自己对设计与美术史的热情集合于一处, 借此引发当代应用艺术、设计与摄影之间的对话。臻堂(Spazio Nobile)以对由自然和矿物连结起的万物的敏感, 去委托艺术家制作试验性与艺术性为一体的装置作品。画廊每年举办四至五次展览, 为新生代设计师与成名设计师提供服务。
