Oskar Zieta (b. 1975, Poland) Lives and works in Wroclaw

By opening Spazio Nobile in Brussels in April of 2016, Lise Coirier and Gian Giuseppe Simeone united their passions for design and art history, initiating a dialogue between contemporary applied arts, design and photography. Commissioning unique pieces, limited editions and installations which are both experimental and artistic, with particular sensibility to everything 'nature and mineral', the gallery organizes four to five exhibits each year, without creating borders between the applied and fine arts.
