For this special collection, RIANNA + NINA pair vibrant prints of butterflies and florals with other rich, colorful motifs, all produced by hand using luxurious Italian silks and embroidered wool. This new collection was brought to life through a collaboration between Spazio Nobile Gallery, representing Portuguese artist Bela Silva and Berlin-based luxury fashion brand RIANNA + NINA. Drawing inspiration from the textile work of the collection along with ancient murals and Portuguese Azulejos tiles, Bela Silva handcrafted a seven-piece set of sculpture jewelry and merges her polychrome imaginary world with RIANNA + NINA's.
