Salon d'Automne : Artists & Designers in Dialogue Group Exhibition

Opening: 19.9.2024, 18-21,00

Echoing the famous Salon d'Automne of early 20th-century Paris, Spazio Nobile's new season is at the crossroads of fine and applied arts. Season XXX - *Salon d'Automne : Artists & Designers in Dialogue* - marks the gallery's 30th exhibition since 2016. To highlight the boldness, spirit and philosophy of Spazio Nobile, the gallery celebrates a dialogue with a soul between its artists and designers, who experiment and create new typologies of objects, furniture, lighting, works on paper and wall installations using organic and mineral materials as a red thread in the field of contemporary visual arts.
