## Bela Silva, Solo Show *Jardim Botânico*

For its third participation in Design Miami, Spazio Nobile is pleased to present *Jardim Botânico*, a selection of five large-scale painted and glazed stoneware sculptures by established ceramic artist Bela Silva. These works were part of the artist's major solo exhibition *Caminho Tropical*, which took place in Brazil last spring at MAC Niterói, Museum of Contemporary Art (arch. Oscar Niemeyer). Spazio Nobile presents these unique pieces for the first time in Europe in the beautiful 18th century garden of the Hôtel de Maisons
