## Kiki & Joost, Duo Show

### *A Complementary Grammar of Creation*

Curated by Maria Cristina Didero

Spazio Nobile is delighted to announce Kiki van Eijk and Joost Van Bleiswijk's second solo show at the gallery and in the Spazio Nobile Studiolo. This exhibition, curated by Maria Cristina Didero, aims to showcase their artistic work as the result of a long-term collaboration involving the sharing of ideas and gestures, and the act of creation itself. Over the course of two decades, they have cultivated a personal, complementary language based on intuitive drawing, architectural precision and a shared commitment to their studio as a space for open innovation. Kiki and Joost create worlds, not just objects, resisting the forces of speed, superficiality and mass production.
