The Nature of Wood

Spazio Nobile presents the first international solo exhibition by Didi NG Wing Yin, finalist of the LOEWE FOUNDATION Craft Prize 2025. Born in Hong Kong and based in Helsinki, the artist fuses Nordic precision with an Asian sensitivity to silence, rhythm, and restraint. Each sculpture and collectible furniture unfold as a slow choreography of hand and material—a meditation on time, emptiness, and change. His carved wooden forms convey a quiet tension between gesture and stillness. Didi NG Wing Yin shapes soft wood into a living, painterly language of renewal.
