Season XXXVII, Frederik Vercruyse
Panoramic, 15 Years of Art Photography
A Second Chapter

Panoramic is both a title and a lens—a way of seeing that gently widens the horizon of perception. This Second Chapter of *Panoramic* presents fifteen years of work by Belgian photographer Frederik Vercruyse. New, unique overpainted prints are introduced in dialogue with earlier works, revealing a practice shaped by architecture, abstraction, and the quiet resonance of silence and space
