Memories of A Garden

Spazio Nobile invites you to discover *Memories of a Garden*, Kiki van Eijk's latest tapestry collection, accompanied by watercolors and bozzetti, created during an artist-in-residence at the mobile garden studio of her longtime friend—and one of the Netherlands' most celebrated painters, Marc Mulders. Situated on the Baest Estate, a protected natural area, Marc's extraordinary wildflower gardens became both muse and laboratory. Immersed in this living landscape, renewed each spring with wildflowers, Marc finds inspiration for his subtly activist art. It was here that he invited Kiki to share the studio—a glass-fronted space that moves between different garden "rooms" and opens directly onto the ever-changing world outside. Kiki embraced the invitation, staying on the estate to experience it from morning dew to evening glow. Secluded yet deeply connected to nature, she worked in calm concentration, drawing on the shifting rhythms of flora and fauna.
