Bela Silva
Mythologies of Being
Book Signing & Exhibition

The Portuguese multidisciplinary artist Bela Silva works across ceramics, sculpture, painting and drawing. She transforms mythologies, travel experiences and nature into vivid, expressive paintings and glazed forms. To celebrate the publication of her new monograph, co-published by Flammarion and Spazio Nobile, the gallery curates an exhibition dedicated to Bela Silva: *Mythologies of Being*, accompanied by a book signing. The exhibition will bring together works on paper and ceramic sculptures, featuring new pieces and key works highlighted in the newly published monograph. The monograph, with its exclusive hand-painted edge, is a unique work of art.
